BANK SOUTH PACIFIC

# Empowering the next generation.

BSP is committed to providing comprehensive banking services to all members of the communities we operate in. The BSP Youth Account is our solution for empowering members of our communities aged between 14 to 21 years.

## The Youth Account is:

- for young members of our community who want to actively manage their personal finances;
- a useful tool to foster growth and boost confidence in younger members of the family. Providing parents and guardians the opportunity to coach young family members to manage their funds responsibly as they transition into adult hood;
- a safe and secure place for enterprising youth to store their funds and access funds when they require
- for students progressing to higher educational institutions away from home. This account or the optional Visa card will ensure when needs arise, funds are available and secure;
- for youth who would like to keep funds aside to meet personal goals.

## Benefits of the Youth Account:

- Daily transactions;
- A prescribed number of monthly transactions can be conducted at no cost\*;
- 24 hour on-line banking convenience;
- Your choice of printed statements or e-statements;
- A minimum account opening deposit of VT5,000.

## Optional benefits:

- Standing orders;
- A Visa debit card for on-line or overseas purchases.
